### ARTHUR AVILA

At one time, people love someone so much, until that person is dead and gone. Right now we lost someone close to our heart.

Though we don't know it, but in our hearts, we loved that person so much more than we had known.

Until God has taken the loved one away from us.

Rather than telling how much we love each other, we must also care for each other and show it.

Art was the one we loved and cared for. Very much in our hearts. Inside our mind we are thinking of people we care for but don't tell them.

Love isn't a game you play around with in life.

At one point or another in our our life we'll love someone very much, but we won't tell him until he is dead and gone.

"REMEMBER"

Love you always.  
Eddie Gonzales, Jr.

### Still

The room is still and empty  
The sweaty smell is gone  
He is not with us anymore  
but his memories still live on  
His memories keep me going  
When I don't think I can cope  
Just thoughts of days when we were together can give me hope  
So when I get to thinking of him  
and all the love we shared  
That's what makes my life  
Worthwhile for me to carry on.

Kathy Avila

## HE'LL ALWAYS BE A MEMBER OF THE CLASS OF '80.

I closed my eyes for only a moment and you were gone.  
All the dreams I had for you just passed before my very eyes.  
I know people must die because nothing can last forever.  
I kept wishing all along (maybe they made a mistake,  
maybe, when we would go to see you, it would not be you,  
maybe, maybe, just maybe it was a dream).  
This can't be true.  
What am I supposed to do?  
Something deep inside of me is dying.  
When I first laid my eyes on you, I knew the truth.  
I knew it was true  
I never said how much I cared  
I never showed how much I cared  
But I am sure you knew  
I know you're happy now  
And you will always be happy  
With no suffering  
I think of the things we did together  
The way things were  
But why, why is the question we ask ourselves.

Kathy Avila

### WHY

What does it take to get it through our heads?  
Does someone have to pay the price and be dead?  
We must all learn by our mistakes.  
Does one have to die, is that what it takes?  
Then the one we love is gone  
And there's really no one left to carry on.  
We really didn't show how much we cared  
and the way he went, it just isn't fair.  
What does it take for all of us to learn?  
God, don't rush it, please don't rush our turn.  
Maybe now we can all get a new start  
but it's gonna be hard because from us he took a big part.  
Now the lights are low just dim  
and we will ask ourselves, why him?

Jess Mercado

On a twisting, turning, winding road  
A deep sorrow begins  
And many heartaches are created  
It's such a shame that a lesson  
Must be learned in this way  
God, show him your light  
Lead him to your heart  
And save his soul.

Trina attended California Girls' State at California State University, Sacramento, from June 25 through July 2, 1979. Girls' State is sponsored by the American Legion Auxiliary. Its purpose is to prepare youth to understand the different levels of government and to become better leaders. While in Sacramento, Trina toured the State Capital and talked with Governor Brown. She made friends with girls from all parts of the state. Girls' State was a rewarding experience she said she will never forget.

Eric would first like to thank the American Legion for sponsoring him and enabling him to attend Boys' State from June 16 through June 23. Eric had a great time at Boys' State because of the way they combine learning and fun. He said, when he was going up to Sacramento, he thought everything would be serious and academic, but "Everyone there was crazier than I am," Eric said. Eric really had a great time. In addition, he learned more than he'd ever expected. He was a prosecuting attorney and brought many offenders to justice. Also, Eric went to the Capitol and talked to Mr. John Thurman. Boys' State was a great experience, and he wishes he could go every year!

No Julie-  
I want you  
to now that you  
a very nice girl & hope  
we stay that way for a  
long time good luck in the

The Orestimba Gooney club is for those "people" who think kind of weird. Many more people are eligible to join this club. The officers are (left to right) Pres. Manuel Archibeque, V. Pres. Miss Matt Schuler, Sec. Miss Robby Catton, Tres. Miss Rigo Amador, and Club Rep. Miss Alvin Dixon. Miss Alvin Dixon won the Miss Gustine Rally contest for this year. As the pictures show, this club is rightfully named. The officers are well selected.

# SENIORS?

## 1976-77 FRESHMEN

*This year's freshman class soon learned how to cope with the competitiveness of high school. They did this by winning the spirit stick at the Homecoming Rally and by winning second place in the float competition. The freshmen have, also, contributed a lot to the school, not only fine athletes who helped the J.V. football team win co-championship, but also a lot of cute girls who helped brighten up the school. The boys aren't too shabby either.*
